

Return to Tennis – Covid-19 Update – 4th November, 2021

Dear Members

We have now received further updates from Tennis Victoria regarding the Covid-19 requirements.

For the following tennis activities at the Parkdale Tennis Club participants do not have to be fully vaccinated:

- Saturday & Sunday Morning Juniors
- Saturday Afternoon Senior Competition
- Wednesday Morning Competition
- Thursday Social Seniors
- Friday Morning Ladies

Please note that when playing away some clubs may have a requirement that only vaccinated people can participate at their club

Only fully vaccinated people can enter the clubrooms, with the exception of people who are 15 years and under. If you are not fully vaccinated you cannot participate in afternoon tea or access the bar facilities in the clubrooms. Afternoon tea can be served outside on the proviso unvaccinated people do not enter the clubrooms. It will be the responsibility of the Club Captains and Co-ordinators to check and ensure compliance.

It will be a requirement for all people entering the clubrooms to ensure that they have QR checked in and have their vaccination certificate verified, unless you have an exemption certificate that can be supplied.

If you are not fully vaccinated toilet access is only available via the downstairs clubrooms.

For Night Competitions on Tuesday, Wednesday and Thursday nights all participants must be fully vaccinated and will need to confirm their status with the Night Co-ordinators on arrival. Further information will be sent out regarding night competition shortly.

We would appreciate every members assistance to ensure that these Covid Guidelines are followed to ensure that the PTC can remain open and safe.

Should you have any concerns regarding these guidelines please contact Natalie Sherriff on mobile number 0448 500 424 or email: president@parkdaletennis.com.au

Regards

Parkdale Tennis Club Committee
